You will also learn everything you need to know about how the Bible took form and powerful tools for reading it so that you will understand Scripture's relationship to Tradition and in particular, to the Sacraments. **Informal sharing follows each DVD. Workbook is not necessary for either study.**

Now Is the Time of Mercy! Fr. Michael Gaitley weaves a tapestry of wonder and beauty from the threads of the dramatic history of Poland, the transformative message of St. Faustina Kowalska, the prophetic apparitions of Our Lady of Fatima, the powerful witness of St. Maximilian Kolbe, and the world-changing papacy of St. John Paul II. But this is more than just a masterful telling of the "Second Greatest Story." Thanks to the brilliant artistry of the Augustine Institute's world-class film team, this amazing story comes to life like never before. In fact, you'll not just learn about the consoling message of Divine Mercy, you'll *experience* it.
